

*inspired* BY PEOPLE LIKE YOU  
who are seeking innovative ways to  
optimize equine electrolyte balance.

Relyte HA has a unique all-natural formula that is designed to replace the electrolytes and calcium equine athletes lose in sweat.

relyte<sup>HA</sup>

Relyte HA is the first electrolyte supplement enhanced with calcium and Hyaluronan (HA) to buffer against stomach irritation. This supplement, with no added sugar, is designed to aid in electrolyte restoration during times of physical activity and gastrointestinal stress.

**To order or learn more  
about Relyte HA**

and why you should consider adding it to your recommended supplements, contact the Hagyard Pharmacy at (859) 281-9511.

RelyteHA is part of the Resolvvet line of equine healthcare products that support gastric, joint, hydration and hoof health.
